Dear Parent(s),

We encourage all our young men to become an altar server here at St. Ferdinand Parish. Like in so many other activities, they will need your support and encouragement throughout this venture. In addition to helping with the smooth flow of the Mass and various Liturgical Rites, the job of the Altar Server fosters and reinforces the value of responsibility and service. A certain amount of information and procedural learning will be required, as well as the commitment to be present when assigned. If you are willing to give your support to this, please sign below.
