NEWS

Breakfast With Santa

Don't forget: Breakfast With Santa is this **Sunday, December 3rd!** It will be from **9:00AM—1:00PM** in the Activity Center. There will be pictures with Santa, goodie bags, and many fun activities. See you there!

We collect BoxTops! You may turn your BoxTops in at any time.

Fudge Sale: Don't forget your fudge orders! There are prizes for the top-selling students, including a \$50 gift card for the top seller, and \$25 gift card, and a Christmas book basket. Order forms for the fudge sale went home last week. Please contact the office if you need another one! More information is on the back of this newsletter.

Welcome New Staff: We welcome Mrs. Joyce McGinniss, who will be joining us in our After School Care program. We are thankful she is here, and wish her a successful year!

Before and After Care Finances: Please remember to make sure your account is up to date for Before/After Care. **Effective immediately, any family that is more than 2 weeks past due on payments will not be able to use the program.**

Christmas Concert: Our annual all school Christmas program is coming up on **Thursday, December 21st**. Each grade will participate in performing a Christmas song. Stay tuned for more details!

Playground Concerns: ***Parents, please remember to supervise your children if you are using the playground afterschool!*** Use of the playground after school hours is **discouraged**, as school staff is not able to provide supervision. There have been many complaints lately concerning students and parents not getting along. Ultimately, behavior on the playground after school hours is your responsibility. It is our hope that everyone will be able to stay safe while enjoying the playground. Please play responsibly and make sure everyone is respecting each other.

Don't forget to turn in used printer ink cartridges for recycling!
