Empower Illinois Scholarship Update

- ◆ You may have noticed the tuition amount in your FACTS account is not the same as your signed agreement for the 2018/2019 school year, do not be concerned.
- ◆ Empower awards the scholarships per student not per family, so your FACTS agreement had to be adjusted to show the base tuition rate per child.
- ◆ If you do not receive a scholarship through Empower by July 1st we will adjust your tuition back to the rates that are on your signed agreement.
- ◆ Once the scholarships are added to your FACTS accounts you will receive another notification showing that a change has been made.

Hopefully this will clear up some of the confusion you may have. Please feel free to contact the office with any additional questions.
