

## Attention all E-LEARNERS

E-learners from our school can pick up free meals for multiple days beginning Monday 9/14. Please call the office the day before pick-up or the morning of by 9:00am and leave your last name and how many e-learners you will be picking up for. This is so we can get your food packed up.

The meals will be close to what we are eating for the most part. You will get the meals, milks, and even a breakfast kits. Some things will require further preparation such as cooking

Pick up will be at the back cafeteria door which is in the alley. It will be grab and go. If you need to bring you children with you, just drive though the alley, come knock on the double doors, the bell is not working right now. You will be handed the bags, or a box if some are available, of either 2 or 3 days of meals depending on the pick-up day. There will be no entry into the school. Pick up days will be Mondays for 2 days of meals and Wednesdays for 3 days of meals.
