

## Read Across America Family Picture Challenge

In honor of Dr. Seuss' birthday and Read Across America Week, we are challenging our families to show us how they read together! Think of a creative and wacky way to read with your family and send a picture to [ebabikan@saintferdinand.org](mailto:ebabikan@saintferdinand.org)! The photos will be compiled and shared with the students in a morning slideshow and posted on Facebook to share with our school families. **Please submit your photo or video by Friday, March 5<sup>th</sup>.** We cannot wait to see what you come up with!
