Here's the scoop
No need to jump through hoops!
We'll grab some tape
So Mrs. Folino can't escape
Take a look
She'll be stuck on books!
Don't delay!
Begin today!
Read, read, read...
To help us succeed!

Help our school reach a goal of 50,000 minutes read during the month of March! Read a book of your choosing every night, and bring your log to be checked by your homeroom teacher every Friday! Minutes will only be counted if you have a parent signature. On April 1st Mrs. Hansen and Ms. Babikan will collect reading logs and tally the total number of minutes! If we reach our goal, Mrs. Folino has a special surprise for us!
