

QUEEN OF HEARTS RAFFLE

TO BENEFIT ST. FERDINAND SCHOOL

TICKETS: \$5 EACH

AVAILABLE AT FISH FRY OR IN SCHOOL OFFICE

*Reveal the Queen of Hearts,
Win Half the Pot!*

Raffle tickets are purchased each week, and the buyer selects which number on the board (1-54, minus whatever had been selected the previous drawing) that they think the Queen of Hearts is hiding under. One raffle ticket is selected - whatever number is on that ticket is the number on the board that is revealed. If the Queen of Hearts is hiding under that number, the recipient receives half the pot, and St. Ferdinand School receives the other half.. A joker is worth \$50 for the 1st and \$100 for the 2nd. All other cards result in a consolation prize of 3 tickets for the next drawing. Tickets start over each week. The pot, however, rolls over until the Queen of Hearts is uncovered.

If the Queen of Hearts is not uncovered by the end of Fish Fry, the raffle will move to another venue (to be determined), and will continue until the Queen is found
