

St. Ferdinand School

May 26, 2022

Dear Parent(s) or Guardians,

The Illinois State Board of Education, in accordance with the rules of the Illinois Department of Public Health, requires that the students entering the following grades update their health records.

Kindergarten: Physical Exam / Immunizations

Dental Exam

Vision Exam

2nd Grade: Dental Exam

6th Grade: Physical Exam / Tdap Vaccine, Meningococcal Vaccine

Dental Exam

Please also note that all the children entering the 6th grade should have a dose of the Meningococcal vaccine. Children in the 6th through 8th grade are to have the booster Tdap vaccine. Please check with your child's pediatrician if the vaccine is needed and provide proof that the vaccine was given or that it is not indicated at this time. The note or letter must include: month, day, and year the vaccine was given. We need to have written documentation on file to show compliance for all the students in 6th to 8th grade, regardless of the interval of the last dose.

Please make any appointment during the summer months and bring the required forms to school by the first day of class to ensure compliance. For your convenience, our school fax number is 773-622-2807.

We appreciate your cooperation and prompt attention.

Sincerely,

Mrs. Erin Boyle Folino, Principal

State of Illinois Eye Examination Report

Illinois law requires that proof of an eye examination by an optometrist or physician (such as an ophthalmologist) who provides eye examinations be submitted to the school no later than October 15 of the year the child is first enrolled or as required by the school for other children. The examination must be completed within one year prior to the first day of the school year the child enters the Illinois school system for the first time. The parent of any child who is unable to obtain an examination must submit a waiver form to the school.
