## ATTENTION PARENT:

**Tiger Cubs** are first-grade boys who, with their adult partners, learn lessons about building family communication, preparing for emergencies, and understanding the environment. Lessons are age-specific and Tiger Cubs are recognized each time a lesson or activity is completed. Some Tiger Cub activities include obtaining a library card, visiting zoo, learning to use public and private phones to report emergencies, and starting a family photo journal.

**Cub Scouting** is made up of second and third graders. Boys work toward accomplishing achievements and electives outlined in Cub Scout manuals, and are rewarded with emblems for their work. Cub Scouts learn about proper nutrition, safety, community involvement, and making informed choices. Activities include planning and cooking a family meal, starting a recycling program, increasing strength and agility through exercise, and camping with the family.

**Webelos** (an acronym for *We'll Be Loyal Scouts*) **Scouting** is designed for fourth and fifth grade boys. They pursue activity badges for achievements in academic skills, the outdoors, technology, sports, and community involvement. Geared to older boys, Webelos activities include using computers, learning citizens' role in the nation, studying animals and insects, swimming, and properly caring for the flag.
