WE ARE BACK IN THE GYM!!!! Alleluia! After over a two-month delay, the St. Ferdinand School gym is now open for PE classes and Basketball Practices with new, bright lighting to accent the freshly installed and painted roof decking! Thank you all again for your patience and flexibility with street-side dismissal, creative gym classes, and alternative places for basketball practices as the construction turned out to be one debacle after another. Mind-bogglingly, there are still leaks on one side of the roof that are being addressed, and the scalded areas of our gym floor will be repaired in the summer between the last day of school and summer camp. But, in the interim, it IS usable! 😊

WOULD YOU LOVE TO HELP COACH OUR BULLS DURING THEIR LAST 2 MONTHS OF BASKETBALL?!?

We'll take you! Both our Varsity and Jr. Varsity Boys Basketball Teams continue to play (weekends) and practice (Tues/Thurs after school) through February. Coach Ulis and Coach Martinez welcome anyone who can assist at practices or at games, even if not regularly. Please reach out to the coaches, school office, or athletic director if available!

FUNDRAISERS 2022-23: Just a quick update on this. **This year,** we are looking to meet designated school budget funding to be raised primarily from profits raised by 2 MAIN EVENTS: a Parent-Only Dinner/Fun Night Out/Auction in early spring and a Color Run Fun Run for the students in late spring! Other

than that, we will not be promoting a lot of sales of “things” for profit like our former Christmas Candle or chocolate bar sales. ***Instead, we are trying to offer chances at extra cash (monthly St. Ferd’s Drawing, Holiday Quick Raffles, and the Queen of Hearts) and helpful ways to make families’ lives easier, like dinners out at Dine-and-Shares and the Christmas Gift Card Program.*** Please know that we never expect everyone to donate to everything and participate in all fundraisers – please, pick and choose what you can afford/what interests you and/or helps out your family the most. **Our goal in choosing and promoting fundraisers is to reward/help our families out while still keeping St. Ferdinand School healthy financially. **THANK YOU** for your generous support in whichever way/s you choose to additionally monetarily help our school.**

CELL PHONES, iPads from home, and APPLE WATCHES, oh my!

We’ll be collecting them each day from Students in Grades 4th-8th, as we did before COVID. This is to ensure that the proper chain of command is well, in that teachers and office staff are contact to parents about the situation. It is tempting to do through Internet access and Students receive their devices back at the access messages as they are lining up to homeroom teachers. Students caught with cell phones that have not been turned in in the mornings will have them confiscated until a parent can pick up the devices and pay a \$25 fine. *Thank you* for your cooperation with this procedure.

COVID Protocol Policy Remains the Same: Last winter, the Archdiocese

of Chicago released a letter stating that mask-wearing would be optional in its schools. This is in accordance with changes to Chicago and Illinois masking policies. However, because Covid is still prevalent, there will be times when masks may be necessary for the protection of all students in a classroom, especially when social distance guidelines cannot be maintained for an extended period of time and sickness or a case of COVID breaks out in a classroom. Therefore, we ask that students keep a mask handy in their backpacks at all times to be worn during such situations. Know that we are continuing to distance children at lunchtime, do not permit direct drinking from water fountains but only from water bottles, and still sanitize eating surfaces and hands *many* times throughout the school day. If your child comes down with COVID, do relay that to the School Office ASAP. We will receive and relay back to you the Archdiocese and CDC “official” 5-days quarantine dates + 5 days returning masked protocol based on onset of symptoms and positive test date. Notes of COVID cases in the school and within a homeroom will still be issued. Of course, we encourage all children and families to get vaccinated and boosted; it is, however, at this point optional to share vaccination/booster status with the School Office, where it is kept in confidential files. It is the hope of the St. Ferdinand Administration, Staff, and Faculty that we can continue to mitigate the spread of Covid and keep our school community healthy by adhering to these practices and having students/staff don masks when needed. **THANK YOU** so much for your cooperation through the ever-changing COVID situation in the Chicagoland and St. Ferdinand School communities.
