

Dear Parents,

Breakfast with Santa was a yearly tradition at St. Ferdinand School until the pandemic. This event brought school families and the surrounding community together through love, laughter, memories, generosity, and hard work. As the years went on, Breakfast with Santa grew in popularity because of parents like you and the support you provide. As we bring this event back to our community for a second year, we are asking each family for their assistance. As a reminder, the Parents Club fundraises to support future events. Proceeds from these events help us contribute to the school and teachers, host appreciation events for students and staff, and support room parent activities. With that in mind, we kindly ask that you bring the following items to the school office **NO LATER** than December 6<sup>th</sup>. **All perishable items SHOULD NOT be brought in BEFORE December 5th.** Thank you for your support!

Sincerely,

Monica Miller  
Parents Club President
