Saint Patrick High School
and Triton College

This is a great opportunity for our girls to experience cheering with a high school team and performing at a varsity football game! If your daughter was a member of the St. Ferdinand Cheer Team last year, this is the same team we partnered with. I will not be the coach for this camp, but Coach Sabella, who we partnered with last year, will be.

If you'd like more info or to register, you can reach out to the camp director at cheer@stpatrick.org.

Best,

Coach Herrera
