

St. Ferdinand School Parents/Guardians -

Although we have 2 “Snow days” built into our calendar, as well as 2 other days currently scheduled to be off of school that we could instead be in school to make up additional snow days, there may come a time when St. Ferdinand School Administration and Teachers would need to pivot to virtual teaching via Zoom to avoid having to add make-up school days to the school year calendar. To this end, on such days we would pivot to “e-Learning” by Zoom from 7:55-11:55 AM, followed by time to work on any assignments in the afternoon. The order of classes would follow a student’s normal order for the day of the week the “e-Learning Day” occurs. By doing all this, we can still learn that day. The following attachments serve as guidelines for potential e-Learning Days at St. Ferdinand School:

**St. Ferdinand School
School-Home e-Learning Expectations & Guidelines**
established 2020; revised 2025

While eLearning on an Occasional Snow/Cold Day...

1. Teachers will take attendance at the beginning of each class session. If your child is legitimately unable to participate in eLearning due to illness, etc, please email the school at school@saintferdinand.org by 7:55 AM indicating if the child is too sick to distance learn for the day.
2. Students will sit up, ideally at a table or desk, for Zooming and conferencing with teachers.
3. Students will wear the school uniform when learning from home to provide a sense that school is “real,” and school behavior expectations are the norm, even from home. 4. **Students/parents will receive the following 2 necessary documents on a Snow Day:: 1.) a whole-school document of each teacher’s Zoom links via School Messenger; 2.) the day’s schedule of Zoom meetings/Live Teachings from the homeroom teacher’s method of communicating (email, Google Classroom, Remind, etc.). Students in Grades 5th-8th will also receive these notifications in their student school emails. This information will be available by 7:30 AM on the eLearning Day. Students are expected to attend all Zooms,**

except when too ill to do so.

5. Students need to log into Zoom sessions with at least their first names. Students will not be admitted into the Zoom if a nickname or only the name of a device are used as log-in names. This will serve as protection of the Zoom session from the unknowing admittance of unwanted strangers.
6. Zoom lessons are only for St. Ferdinand School students who are distance learning. Please do not share the Zoom codes with non-St. Ferdinand School students. 7. Students' faces need to be present on the video while Zooming. They cannot turn off the video function. They also cannot put up a photo of themselves or anyone else instead of appearing live.
8. Students are expected to complete and submit assignments on the day they are due, and the teacher will indicate whether they are to be submitted electronically or turned in when school resumes in-person learning.
9. Parents will be responsible for printing any material that their child will need at home. Please make sure you have a working printer and an ample supply of ink and paper. 10. Students need to be on time for livestream Zoom lessons. Please strive to have your child logged in and waiting in the Zoom "waiting room" a minimum of 5 minutes before lessons are scheduled to begin so that the lesson can start on time. 11. Students on Zoom should not be disruptive or distracting to other students and the instructor. They are to remember they are there to observe and learn from the lessons. 12. Please note that, on eLearning Days, a good portion of each subject's lesson is devoted to independent practice after a 15-20 minute Zoom lesson from the teacher. 13. Students should not eat while on Zoom, as such behavior is distracting and impolite, and regular lunchtimes are adhered to within the schedule.
14. Students should not be playing with their phones, other electronic devices, or any other kind of toy while a part of a Zoom lesson.
15. Parents are responsible for ensuring that their children take Zoomed lessons seriously and that their behavior and attention, outlined in many ways in this document, reflect this. Home routines for effective, cooperative Zoom/virtual/distance learning need to be established, expected, and enforced by parents.

*On behalf of the St. Ferdinand School Faculty and Staff,
thank you for your best effort and cooperation with us if any eLearning Days are to take place.*
